**THE IMPROVEMENT PLAN OF
TRAINING PROGRAMS AFTER SELF EVALUATION
OF FPT UNIVERSITY**

Implementing recommendations of the Training Program Self-Evaluation Council to improve the quality of education, FPT University has made the improvement plan on upgrading training programs after self-evaluation as the followings:

I. Purpose

- Continuously improve the quality of training programs to meet social needs and requirements of AQAS standards, enhance learners' competitiveness, while ensuring output standards and being consistent with the development trends of modern education.
- Complete quality improvement evidence for external assessment.

II. Improvement contents

As the attached appendix.

III. Implementation

- Assigned functional departments are responsible for planning and implementing the improvements, urging and guiding the execution of improvement activities to ensure timely and quality completion; storing evidence; implementing post-improvement quality enhancement activities; and reporting results to the University Board of Management.

- The Quality Assurance Board acts as the focal point to monitor and supervise the implementation of the University's quality improvement activities; provide consultation upon request; compile evidence and documentation of quality improvement activities from various units; and report to the Board of Management.

Recipient:

- As above;

Dr. Nguyen Kim Anh
